WE ARE ONLY SATISFIED WHEN YOU ARE.

You are sure to find your favorite place in our three restaurants.

Petit Plaisir

The Bistro & Brasserie "Petit Plaisir" exudes original French flair and invites you to take an unforgettable trip through the cuisine of France. Ranging from small tidbits such as fresh Tarte Flambée and Galettes through to typically French specialties such as Bouillabaisse or Boeuf Bourguignon the gourmet will get more than his money's worth. At the Bistro Bar with its lounge we serve selected wines in a congenial atmosphere – all of which by the glass. "Savoir vivre" in the Sonnenhof!

CALLA

Kitchen Director Jörg Richter and his team will spoil you with Euro-Asian delicacies from the open show kitchen or with specialties from the CALLA grill. Far Eastern aromas are combined in an enticing manner with top-class regional products.

König Ludwig Lounge

Top-quality, natural materials and the clear lines of the modern lounge design characterize the atmosphere in the "coolest ski chalet north of the Alps". Enjoy regional specialties ranging from cheese spaetzle through to "Allgäuer Zwiebelrostbraten" or let the day draw to a pleasant close with a freshly drawn König Ludwig beer at the Blue Bar.

To ensure that you can have your table in the restaurant of your choice, please phone us in advance or make your table reservation via our web page. We will be pleased to note your wishes at reception or in one of the restaurants or using the SuitePads in your room at all times. Please find the actual opening hours of our restaurants at: www.spahotel-sonnenhof.de

Ice fountains, surge showers and monsoon rain showers ensure a tingling experience. You can relax in the modern recreation room with its comfortable designer loungers and, in summer, in the picturesque hotel gardens surrounding the new Infinity Pool.

Classical and international massages will awaken vital spirits or ensure absolute deep relaxation. A beauty program with numerous extras rounds off our comprehensive offer for your wellbeing.
